

Privacy Principles

Your privacy is important to us. This Privacy Policy explains how information about you is collected, used and disclosed by Startima, and its subsidiaries and affiliated companies (“STM”, “we”, “us”, “our”). It also describes the choices available to you regarding the use of, your access to, and how to update and correct your personal information. This Privacy Policy applies to information we collect when you use our services, use or access www.startima.io, STM applications, and other online services offered by STM that link to or reference this policy (collectively, our “online services”). The first part of this policy describes how we collect, use, and disclose personal information to provide the STM Identity Alerts. The second part of the policy describes how we collect, use, and disclose other information collected through our Services.

Our Pledge to You: We are committed to maintaining your trust and pledge the following:

Transparency. We will keep you informed of our privacy practices.

Keeping your information safe. We have implemented security tools that are designed to safeguard your information in accordance with industry standards.

You are in the driver’s seat. We will ask for your permission before we share your personal information with third parties, in accordance with this Privacy Policy.

Security

We take our responsibility to protect the privacy and confidentiality of your information, including personal information. We take reasonable measures to help protect information about you from loss, theft, misuse and unauthorized access, disclosure, alteration and destruction. If you have any questions about the security of your personal information, you can contact us at support@startima.io.

Collection of Information

Information You Provide to Us

We collect information you provide directly to us. For example, the types of personal information we may collect from you when you visit or use our online services include your name, email address, mailing address, telephone number(s), account numbers, user name and password.

Information We Collect Automatically When You Use the Online Services

In addition to the personal information described above, we may collect certain information about your use of our online services.

Log Information

We collect log information about your use of the online services, including the type of browser you use, access times, pages viewed, your IP address and the page you visited before navigating to our online services.

Device Information

We collect information about the computer or mobile device you use to access our online services, including the hardware model, operating system and version, unique device identifiers and mobile network information.

Use of Information

We may use the information we collect from you for various purposes, including to:

help us deliver our Services;

administer, evaluate and improve our business (including developing new products and services, improving existing products and services, performing data analytics, monitoring and analyzing trends, and performing accounting, auditing and other internal functions);

communicate information to you at the request of our partners;

manage our risks;

market our Services and products;

comply with and enforce applicable laws and regulations, relevant industry standards, contractual obligations and our policies; and

carry out any other purpose for which the information was collected.

We may also use data that we collect on an aggregate or de-identified basis for various business purposes, where permissible under applicable laws and regulations.

Cookies

Most web browsers are set to accept cookies by default. If you prefer, you can usually choose to set your browser to remove or reject browser cookies. Please note that if you choose to remove or reject cookies, this could affect the availability and functionality of our online services.

We tell you when our privacy policies and practices change.

We may change this Privacy Policy from time to time. If we do, we will let you know by appropriate means such as by posting the revised policy on this page with a new "Last Updated" date. All changes will become effective when posted unless indicated otherwise. If we make any material changes we will notify you by email (sent to the e-mail address specified in your account) or by means of a notice on this website prior to the change becoming effective. We encourage you to periodically review this page for the latest information on our privacy practices.
